## Children, Young People - Loss, Death and Grief A one day training conference

### Who this day is for:

This training day is for teachers, head teachers, licensed laity and clergy in the Diocese of York who will come into contact with bereaved children and young people in the course of their work, through formal or informal settings.

### Conference aim:

To provide a depth of understanding of the needs of bereaved children and young people and the skills and resources required to provide appropriate care.

### Learning outcomes:

- to gain understanding of a child's perception of death
- to gain an understanding of the theory of loss and mourning in relation to children and young people
- to identify an awareness of our own needs as professional carers and explore ways to support ourselves, and our colleagues
- to recognise the diverse needs of bereaved children and young people, and the importance of advocacy
- to gain information about the Child Bereavement Charity, other similar support organisations and resources available

### Where, when, cost:
