Child Bereavement Charity

Supporting Families, Educating Professionals

Children, Young People - Loss, Death and Grief A one day training conference

Who this day is for:

This training day is for **Children's and Youth Work leaders and volunteers in the Diocese of York** who may come into contact with bereaved children and young people in the course of their work, through formal or informal settings.

Conference aim:

To provide a depth of understanding of the needs of bereaved children and young people and the skills and resources required to provide appropriate care.

Learning outcomes:

- to gain understanding of a child's perception of death
- to gain an understanding of the theory of loss and mourning in relation to children and young people
- to identify an awareness of our own needs as professional carers and explore ways to support ourselves, and our colleagues
- to recognise the diverse needs of bereaved children and young people, and the importance of advocacy
- to gain information about the Child Bereavement Charity, other similar support organisations and resources available

Where & When:
